²For the purpose of this analysis, “**Metro Areas**” are metropolitan statistical areas as delineated by the Office of Management and Budget (OMB), each of which contains at least one Census Bureau-delineated urbanized area of 50,000 or more people; “**Small Towns**” are micropolitan statistical areas as delineated by OMB, each containing at least one Census Bureau-delineated urban cluster of between 10,000 and 50,000 people; and “**Rural Areas**” are non-metropolitan and non-micropolitan areas.

³ American Community Survey 2015 five-year estimates (2011-2015).

- Only 14% of SNAP families did not have a working adult in the past 12 months.
- A very small number of SNAP households (11% or 4,000) participate in TANF, making SNAP a critical safety net for families with children.
- Nearly half of all SNAP households included children.
